Each moment holds a memory,
a thought, or a feeling.
Whether happy or sad, it
should be remembered forever.
Our moments at Bay High are
so few, that each one should
be treasured. We should
always remember the moments
we captured together.

"OUR DIRECTORS"

Sometimes it takes a while
To realize what we've had.
And looking back at teachers,
They really aren't that bad.

We've put them through so much —
Each and every day.
We've taken them for granted —
And made them earn their pay.

At times we all have felt
That homework's just for spite.
But it's just a teacher's way
Of preparing us for life.

Thanks to all the teachers . . .
Who have walked that extra mile,
As we leave Bay High
You've made it worth the while.

A very special Thank You
From the Class of '92,
To the lucky ones who have taught us,
We appreciate what you do!!!

— Patty Marie Weems — Class of '92

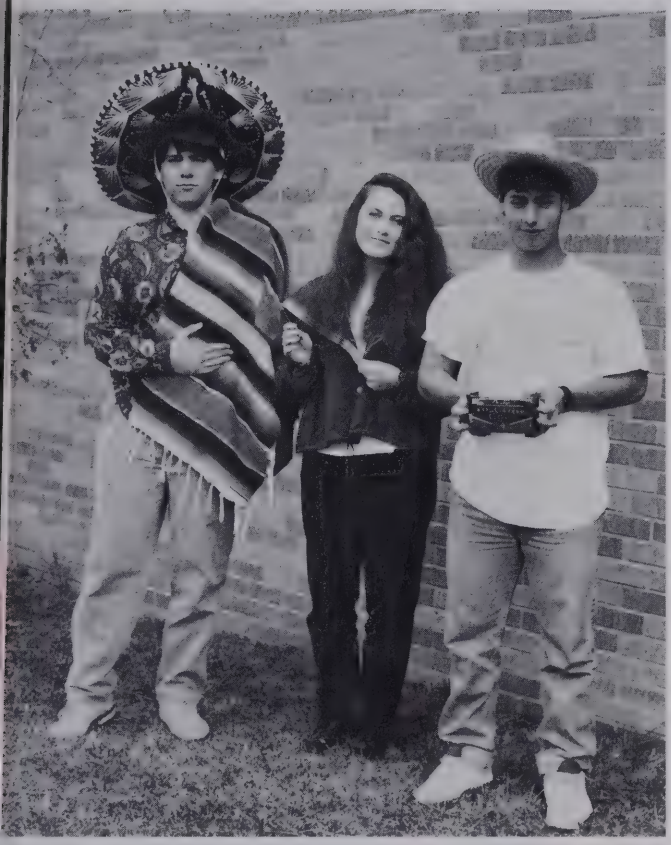
"Coming to America"



EXCHANGE STUDENTS: Adolfo Cancelo — Spain, Sara Thalberg — Sweden, Carlos Garcia — Colombia.

Adolfo Cancelo

Adolfo makes his home in Bay St. Louis with Phyllis and Skip Marsh while he is visiting from Spain. In his opinion, American high schools are very different because the students have to move from class to class. Students having a locker for books was new to Adolfo. He also found the importance of sports greater here than in Spanish schools. Adolfo says the "typical" American and Spanish student are alike because they all want to have a good time and graduate at the same time. Adolfo has been a part of the Bay High football and basketball teams. He also joined our Spanish Club. His hobbies include basketball and rugby. After graduating from Bay High, Adolfo will go to college in Spain but he wants to return to the U.S.A. to complete his college degree. Adolfo wanted to learn the American language and to taste "the American way." He believes he as been successful in learning both.

Carlos Garcia

Carlos is from Colombia and his home in Bay St. Louis is with David and Donna Billingsley. Here at Bay High Carlos has been a member of the soccer and tennis teams. He enjoys listening to music, playing tennis, working out, and riding bikes. When Carlos was asked what he finds unique about American high school students he said, "They do everything to enjoy life." He also noticed that students spend a lot of time organizing and planning "life after high school" — college or jobs. Carlos wanted to learn English, make new friends, and learn the American lifestyle so he came to the United States as an exchange student. After graduation here, Carlos would like to attend college in the U.S.A. If attending college here is not possible, Carlos will return to Colombia where he has another year of high school and then he will enroll at a unversity.

Sara Thalberg

Sara is an exchange student from Sweden. Her home in Bay St. Louis is with Joey and Sessie Mauieri. Sara has found a big difference in tests. She does not find our tests difficult because we give true/false, multiple choice, and matching items. In Sweden, all of her tests were essay questions. Sara believes the typical American high school has too many rules (here are a few) can't smoke, can't leave campus, can't wear a beard, can't wear clothes you want to, and can't use hallways without a pass. Her overall impression of American students is good, she says students are very nice and open. Sara also noticed students are very involved in school activities and clubs. One negative impression Sara related to high school girls was that they wear a lot more makeup compared to European girls and she feels American girls do not always say exactly what they mean. Sara has been involved in homecoming and prom activities. She likes to draw, paint, listen to music, go to concerts, snow-ski, and travel. Sara came to the U.S.A. because she wanted to learn how to speak English, see another culture, and have a good time. She will return to Sweden and complete high school (2 years left). After graduation in Sweden, Sara plans to study art or psychology at a university.

Tiger Editors

In every picture there is a captured moment. As you look through these pages remember all our unforgettable moments here at Bay High. Our staff and sponsor, Miss Judy Moore, have worked as a team to preserve just a few of the memories you will treasure for the rest of your life. We would like to give special thanks to Miss Moore for the dedication and determination she has given to the 1992 Tiger Yearbook.

The "Tiger" hopefully has stored your most precious moments within its pages. Our "moments" are saved forever because A PICTURE'S WORTH A THOUSAND WORDS!
